PUBLIC COMMENTS			
Speeding Lakeland Dr.	 Concern: Homeowner's dog companion escaped the yard, and the dog was hit by a car on Lakeland Dr. that was speeding. The concern is that people are speeding over 25 mph limit. The homeowner created signs in memory of her dog for people to slow down. LLVCC Response: There was a discussion on where to put the sign. The signs will require a permit from the Board to be placed in people's properties. Two homeowners volunteered to place the sign in their yard. Discussion on speed bumps- This issue has been visited previously. The sheriff's department would not do speed bumps in our community because ambulances and fire trucks need to get to homeowners as fast as they can when needed.

The area is open so there are no fire restrictions. We will check with the county to find out what was permitted originally. Once we get the information, we will make a sign. 	James to check with the county to find out what is was permitted originally
	Question: Who is to enforce the rules at the beach area and over occupancy of reservation? It was brought up by a homeowner's concern about foul language or not following the rules.	
	Question: Can patrol do a two-minute walk whenever there is a reservation?	
	Responses: The HOA does not have the resources to enforce the rules. Patrol relies on Beach authority personnel to call them when needed. We encourage homeowners to do the same if you witness the behavior. Beach Authority personnel will be starting soon and whenever there is an issue, they will call Patrol. This is a work in progress.	

This is a work in progress.

Lake Management	 Chairman's Report- Peter Nash Scott and Peter got together. The timing of the fish plant was an issue, specifically concerns about the otters. Staying on top of the otters is a tricky thing. USDA trappers will not trap the otters. The otters migrate from one lake to another lake via streams. The fishing derby was awesome. We need to mow and clear the weir and dam. The Lake Management Committee will tour the lake to learn what needs to be done. The committee will provide a calendar of lake events for the year. Note: Maureen wants to thank Scott for helping with the Fishing Derby. She also wants to send a thank you to all the volunteers that helped with the Fishing Derby. 	Need report and calendar from Peter	
Hearing	Chairman's Report- James Byrne No hearings this month.		
Safety	Sheriff Report - Maureen Allen Main subjects for the meeting were scams and fraud. The object of scams is to acquire information and money from contacts. Scammers are looking for subjects to respond to their contact. Always look at the return address to match us with who they say they are. If there is a response by you, then they know they have contacted a REAL person. Delete, Delete, Delete, DO NOT OPEN. Some baits are: "your account has been cancelled, fake Amazon Orders, tracking package information." NEVER give anyone an Amazon Account Number. All collected information from those who innocently respond is sold on the Black Market. A new sophisticated scam is voice cloning. If able to get a target to talk to on the phone, they will then search for your computer contacts and pretend that they are you and ask for financial help. He suggested that a code word is mandatory to establish for personal contacts. Gift Card fraud, especially around holidays asking for a target to pick up a card or more because too busy, sick, unable to leave house, etc. to do it themselves. Do not fall for that without contacting the impersonated person first for validation. The best passwords for log-in are one capitalized letter, a hash tag like #,,?, and numbers for best

	themselves, obviously. They are proficient at opening fake accounts with fake ID. He suggested that all three agencies, like Experian, be contacted for a review of your free credit report. He also suggested freezing all associated accounts and unfreeze when large purchases are needed. Unfortunately, even Sheriff Spurling has been spoofed by cloning him regarding a DUI situation. It CAN happen to anyone!! The huge fire at HWY 3 and Anthony Road was discussed. The Sheriff was in Olympia at the time and saw the smoke clear down there. Since HWY 3 was totally shut down, he was stalled in Olympia until late evening and could not return home. It was a 3 alarm fire. There were 6 shootings in Shelton. 2 outside city, 4 in a "Rotating Situation", some gang related. Still searching for a permanent Public Defender; currently contracting for coverage. Always call the Sheriff's Office if you become a victim of fraud. There are 18 cases of Title Fraud in Grace Harbor by an out-of-state source. Keep your computer up to date.
