Each such assessment, together with such interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation of the owner shall not pass to his or her

successors in title unless expressly assumed by them.

Section 2. Purpose of Assessment The assessments levied by the Club shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents in the Property, and in particular for the improvements and maintenance of the Property, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Area, and of the homes situated upon the Property, including without limitation the installation of and maintenance of the entry gate, cul de sacs, if any, and planting areas on streets within the Property.

Section 7. Date of Commencement of Assessments: Certificate. The annual assessments provided for herein shall commence as to each lot on the first day of the calendar month following the recording of the conveyance or contract for conveyance of the lot from the Developer, whichever is earlier. The Board of Trustees shall fix the amount of the annual assessment against each lot for the following year by the end of the calendar year so that sufficient notification may be made to lot owners prior to the annual budget meeting. A reasonable charge may be made by the Board for issuance of such a certificate. Unless the certificate is deposited in the mail, postage prepaid and directed to the address given by a requester other than the owner within ten (10) days of payment of the required fee, the lien of assessments due and unpaid at such time shall be subordinate to the interest, if any, acquired by the requester in the lot. No owner may waive or otherwise escape liability for the assessments provided for herein by the non-use of the Common Area or abandonment of his or her lot.

Section 9. Subordination of the Lien to Mortgages, Deeds of Trusts and Real Estate Contracts. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or deed of trust (and to the lien of any second mortgage or deed of trust given to secure payment of the purchase price) now or hereafter placed on a lot, and to the interest of any vendor under a real estate contract not entitled to possession. The sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot which is subject to any mortgage, deed of trust, or real estate contract pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof or any proceeding to obtain a forfeiture and cancellation of a real estate contract or proceeding to obtain a forfeiture and cancellation of a real estate contract or proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments thereof which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt property The following property subject to this Declaration shall be exempt from the assessments created herein:

- (b) All property dedicated to and accepted by any public agency, authority or publicly regulated utility;

This is not the exclusive remedy for nonpayment, and the provider may avail itself of any other remedy authorized by law, including, but not limited to, a personal action against the Owner, or withholding of service until payment is made.
